

## NORTH HUNTINGDON TOWNSHIP POLICE DEPARTMENT

**TO:** Chief Robert Rizzo  
**FROM:** Lt. Gregory T. Arendas  
**DATE:** Thursday April 15, 2021  
**SUBJECT:** Body Worn Camera Grant (BWC)

---

Pennsylvania Commission on Crime and Delinquency (PCCD) offered grant funding for police departments to start a body worn camera program. I applied for the grant and our application was approved on March 10, 2021. The Body Worn Camera Grant (BWC) is a matching grant and PCCD has awarded North Huntingdon Police Department **\$24,634.00**. The grant has to be used within two years.

The BWC program is part of an overall upgrade to our current in car video camera system. Digital Ally is the In-Car and BWC Company we have chosen. Digital Ally has provided the purchase pricing for completely new In-Car cameras as well as twenty (20) BWC. The payment plan listed below is a purchase plan and the Township will own all the equipment at end of the plan. The yearly breakdown for the cost will be as follows:

2021: \$32,114.05 (Includes shipping) – This amount is in the 2021 Capital Budget  
2022: \$24,636.00 (Township matching grant obligation) + \$24,634.00 (Grant) = \$49,270.00  
2023: \$25,928.73  
2024: \$25,928.73  
2025: \$25,928.73

Total Township Cost: \$134,536.24

Without the Grant the Township Cost would be: \$159,170.25 (\$31,764.05 per year over next five (5) years).

If the Board of Commissioners approve moving forward with the BWC Grant, PCCD has advised that they will need to approve the North Huntingdon Police Department BWC Policy before funding is given. PCCD has also supplied a Grant Scorecard as a checklist of everything needed in the BWC Policy. North Huntingdon Police has until June 15, 2021 to submit the policy and Grant Scorecard.

Let me now if the Board of Commissioner approve the in kind matching of the grant and I will get started on the BWC Policy and Grant Scorecard.

If you have any questions let me know,
