

TO: Jeffrey Silka, North Huntingdon Township Manager

FROM: Robert Dippolito, Emergency Management Coordinator

SUBJECT: New staff Appointment

DATE: March 29, 2021

Jeff,

Attached is documentation and voluntary application from Mr. Timothy Barger. I have known time for over 30 years and highly support his appointment to the Emergency management Staff. Tim's past includes many years of service with North Huntingdon Rescue Eight and is past Vice-President and President.

Tim will be the final applicant that I will submit as staffing is complete. If you need any further information please contact me.
