CC: Richard Albert, Jackie Robinson

RE: Bid Report

2022 Milling and Resurfacing Contract No. 2022-01

2022 Bituminous Fiber Reinforced Seal Coat and Crack Sealing Contract No. 2022-02

On February 22, 2022, three (3) bids were received for the 2022 Milling and Resurfacing Contract No. 2022-01. The base bids ranged from \$937,978.42 to \$1,155,063.55. The unit price bid tabulation is attached. A. Liberoni Corporation is the apparent low bidder at \$937,978.42.

Also on February 22, 2022, two (2) bids were received for the 2022 Bituminous Fiber Reinforced Seal coat and Asphalt Joint and Crack Sealing Contract No. 2022-02. The unit price bid tabulation is attached. Russell Standard Corporation is the apparent low bidder at \$149,461.00.

In addition to the milling and resurfacing base bid, the bid documents provided for two (2) add alternate streets; Reed Street and Travis Drive. The value of the add alternate streets, based on A. Liberoni's applicable base bid unit prices are as follows:

1. Reed Street - \$75,703.11
2. Travis Drive - \$18,095.18

The Township's 2022 Budget for Milling and Resurfacing, Fiber Reinforced Seal Coat and Crack Sealing, all from the State Liquid Fuels Account, is \$1,073,550.00.

Both of the apparent low bidders included the required Public Works Employment Verification Form and a 10% bid bond from a surety that is included in the Treasury Department's current Circular 570 list. A. Liberoni and Russell Standard have successfully completed numerous projects of this nature and are well qualified to complete this work.

My recommendations are as follows:

1. Award the 2022 Milling and Resurfacing Contract no. 2022-01 to A. Liberoni, Inc., 459 Davidson Road, Plum, PA 15239 for the base bid amount of **\$937,978.42**.

2. Award the 2022 Bituminous Fiber Reinforced Seal Coat and Asphalt Joint and Crack Sealing Contract no. 2022-02 to Russell Standard Corporation, 171 Seventh Avenue, Valencia, PA 16059 for the amount of **\$149,461.00**.
3. Given that the combined recommended awards, \$1,087,439.42, exceeds the 2022 Budget, \$1,073,550.00, by \$13,890, it is recommended to transfer **\$13,890.00** from the current Township State Liquid Fuels Account balance to the 2022 Paving Budget.
4. Since the bids were slightly over the 2022 road budget, we don't recommend adding any alternates.

Please let me know if you have any questions.
