

NORTH HUNTINGDON TOWNSHIP POLICE DEPARTMENT

TO: Acting Manager Mike Turley and NHT Board of Commissioners

FROM: Chief Rizzo

DATE: 3-10-2022

SUBJECT: Police Department Hiring (Andy Carter)

I am recommending Andy Carter to be hired for the vacant position of Probationary Patrol Officer. This will be a conditional offer pending the results of the Physical and Psychological Exams.

We continue to deal with a number of long-term officer injuries and midterm medical issues. Currently we have six (6) Officers off work or on light-duty and delaying the hiring until later in the year will not help mid-term staffing issues. The offices timelines to return to full duty status range from months to unknown at this time.

I am requesting we more forward with the hire of Andy Carter at the March of 2022 meeting with a tentative start date of April 4th,2022. Andy Carter is currently a Full-Time Police Officer in Penn Hills and a North Huntingdon resident and I spoke with him and he is willing accept the position with North Huntingdon Police Department if approved by the Board of Commissioners.
