Mitch Astalos --- Robert Merda

---

1. Got through significant wind storm without any major power outages or other disruptions.
2. Coordinator kept aware of recent major incidents throughout Westmoreland Co. sent out by Westmoreland County Department of Public Safety (911).
3. Also monitored briefings sent out by the National Weather Service and forwarded pertinent information to Manager Faulk, Public Works Director Hoshlinski, 2 Deputy Coordinators and all other members of Emergency Management team to keep all abreast of any current/future weather situations that could affect North Huntingdon Township.
4. Coordinator monitored the West Penn Power system notification on power outages. No major outages in Township during report time.
5. Public works is doing a great job on winter road conditions.
