Subject: North Huntingdon Township Municipal Authority – Board Position

Dear Board of Commissioners and Mr. Faulk,

I am writing to the North Huntingdon Township Municipal Authority (NHTMA) Board Position that is currently posted on the Township's website. I am very interested in applying for a position on the Board.

My name is Robert L. Botti and I have been a resident of North Huntingdon Township for approximately 23 years along with my wife and son. I attended Slippery Rock University earning a bachelor's degree in health education. I have over 35 years management experience in the manufacturing and plastic injection molding fields. Recognized superior achievement in plant start-ups, mergers and acquisitions, quality processes, strategic planning along with safety and environmental compliance.

I currently volunteer and deliver meals for Norwin Area Meals-On-Wheels and served on the board for four years.

I strongly believe with my concern for people, commitment to service, reliability and professional background would be an asset to the NHTMA.

Thank you for your time and consideration.

## Randall Pedder Letter of Interest

---

From Randy Pedder <Randy.Pedder@ArdaraTech.com>

Date Thu 1/8/2026 3:06 PM

To Harry Faulk <hfaulk@nhtpa.us>

Dear Harry Faulk,

This email serves to represent a letter of interest for Randall Pedder to serve on the North Huntingdon Township Municipal Authority Board.

I am currently a resident of North Huntingdon Township, with a home address of 12751 Haywood Road, Ardara, PA 15615.

My technical qualifications include a Ph.D. in Analytical Chemistry, with over 35 years experience in trace chemical analysis, including a part time work study job at the Saint Vincent College Water Laboratory.

I currently serve the North Huntingdon Township community as a member of the Recreation Advisory Board.

As well, I am an entrepreneur, who, for the last 21 years, has been managing Ardara Technologies L.P., a high tech manufacturing business in North Huntingdon Township, which designs and manufactures chemical analysis equipment.

I have served on the board of directors of three different non-profit organizations:

\* Past president of the board, and board member of Camp Pine Springs, a christian children's summer camp.

\* Board member of The Richard A. Schaeffer Memorial Fund, a non-profit providing scholarships to young scientists, and boy scouts.

\* Former Clerk of Session and Elder for Ardara Evangelical Presbyterian Church.

My leadership experience and technical expertise should serve the Township well with me serving on the Municipal Authority Board.

With best regards,

Randy
